## **Planning for the 2006-2007 Membership Year**

The Section holds dinner meetings each month from September to November and from January to May. No Section meetings are held during the Summer months. It is during this time that the Executive Committee develops its plans for the coming year. This planning involves the development of an Annual Business Plan (initiatives and events), annual budget and program schedule.

One of primary tasks is to develop a program schedule for our dinner meetings and plant tours. We would welcome any suggestions concerning a topic of interest or a suggested plant tour. Our goal is to satisfy your needs, but we need your input.

As mentioned in our April newsletter, the following volunteers will serve as the Section's Officers for the coming year, beginning on July 1<sup>st</sup>:

**Chairman - Francois Thery**

**Chair-Elect – Roy Gaudet**

**Secretary – Dorothy Smolen**

**Treasurer – TBD**

The officers will select the balance of the Executive Committee from volunteers that express a desire to participate on Section Leadership activities. The various positions on the Executive Committee are listed on the following page. If you are interested in getting involved, please contact anyone on the current Executive Committee for information.
