

# ***Southern Jersey Section Quality Connections***

## **Check out the Section's New Website**

Over the Summer the Section launched a new website at the address shown below. This is the result of one of our goals from last year's Business Plan. It has a new look with several new features. We plan to periodically add new features and enhancements

One of our goals is to promote more networking between Section members. Again – we'd value your suggestions.

## **No Section Dinner Meeting in December**

The Southern Jersey Section will not hold its monthly dinner meeting in December due to the Holidays. Our next dinner meeting will be a joint meeting with the Institute of Industrial Engineers. Details will be provided in the January newsletter.

The Executive Committee will meet in December to develop plans for the 2007 year. Anyone wishing to get involved should contact any member of the Executive Committee listed on page 5. **Happy Holidays!**

## ***Message From the Chair***

Dear Members,

*We were 20 people attending the meeting at the Mays Landing Country Club on October 17th. Dottie Smolen did an outstanding job organizing the event (and finding a new speaker at the last minute)! David Sparenberg presented to us the project for Aviation Research and Technology park of New Jersey. Presentation is available on our website. We had an excellent evening!*

*We are headed this month to the Adelphia on November 28th. Hope you will be able to join us.*

*I would like to mention this month an event that ASQ South Jersey has been sponsoring since several years which is the Philadelphia Future City Competition. It is a great event! It is simply amazing how creative the students are! They are looking for volunteers and mentors, please check their website for more information:*

*I wish all of you a wonderful Thanksgiving holiday with your friends and families!*

**See you on the 28th!**

Best Regards,

*Francois Thery*
