

QUALITY CONNECTIONS

Join Us at the Camden Aquarium

Once again the **South Jersey Mechanical Contractors Association** has graciously invited the members of ASQ and IIE to participate in their SPRING event. This will be either the sixth or seventh year that we've collaborated on this event. The association started several years ago with "Engineers Night at Rowan College", followed by two events held aboard the "USS Battleship New Jersey" and most recently joint meetings at Scotland Run Golf Course.

We're excited about this year's event at a new venue – the Adventure Aquarium located on the Camden, NJ waterfront. If you've attended this event before, you know it is special and one of the highlights of our year.

The evening's presentation by Raymond Johnson will describe "What **Green** is in New Jersey?" I'm sure that the presentation will be informative and the food is always great.

The Southern Jersey Section will be subsidizing the cost for ASQ attendees. We will collect \$15.00 at the door and the Section will add \$10.00 per head to cover the meeting cost. We'll have someone stationed at the door with the attendance list. Please check-in when you arrive.

If you plan to attend, please advise Tom Mudge at 609-720-2539 or tom.mudge@wgint.com by **Monday April 10, 2009**.

Traffic signs clearly indicate the way to the Camden Waterfront so you shouldn't have any trouble finding the facility.

The Section's Recognition Night

Each year the Section holds its Annual Recognition Night to honor those individuals and organizations that have helped advance Quality in Southern Jersey. The vent will be held in May at the Adelphia Restaurant in Deptford, NJ at a date to be determined. Look for details in the next newsletter.

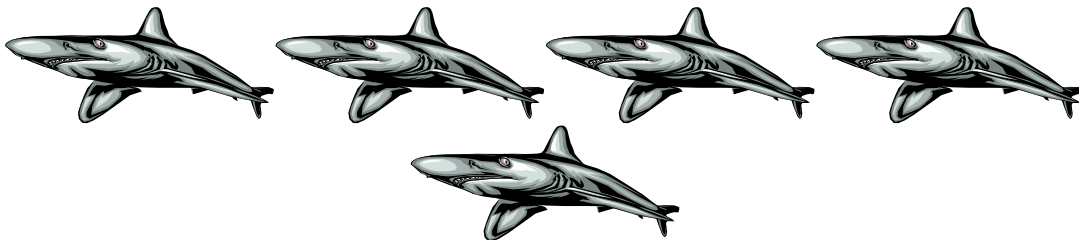

The South Jersey Mechanical Contractors Association

Cordially Invites You To Attend
The April 15, 2009 - Dinner Meeting
